STRATEGIC ENERGY MANAGEMENT  
COLLABORATIVE

# NW SEM Collaborative Transition

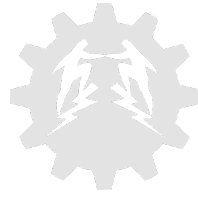

- NW Collaborative began around 2012
- NW Collaborative funded by administrators in the NW through NEEA
- NA Collaborative formed in 2019 in part because NWSEMC's funding would end
- Transition kicked off with NA/NW MOU in March, 2023

# What's been happening

- LTs have met
  - Historical review
  - Decision making
  - Formation of committees
- Committees in 2024
  - Working Group Committee (formed)
  - Chapter model Committee (temporary in 2024)
  - Fall Workshop Committee (continued)

NORTHWEST  
STRATEGIC ENERGY MANAGEMENT  
COLLABORATIVE

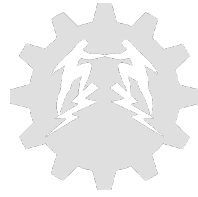

## NW mission

Advance adoption of Strategic Energy Management (SEM) and **enhance the effectiveness of SEM offerings** in the Northwest

## NA mission

**Improving the effectiveness of existing SEM programs**, growing the number of programs in the US and Canada, and enhancing the skills of thousands of workers.
